

# BEL-IEVE FIRE VICTIM DONATIONS

A house fire is devastating to any family, because it means displacement and loss of personal and sentimental items. Bel Furniture wants to help victims of house fires this holiday season by replacing a portion of your lost furniture. Whether in a semi-permanent location or a new residence, Bel Furniture wants to help you feel back at home for the holidays. Twelve families will be selected to receive one room of furniture. Please submit applications to [roshelle@belfurniture.com](mailto:roshelle@belfurniture.com) or complete the online form at [belfurniture.com](http://belfurniture.com). We want to ensure you have a place to eat a holiday meal, a place to rest your weary head, or a sofa to gather with family during this special time of year.
